Hi Visibility

colbest

2013-1014  
Collection

Cottonize business Collection is a new exciting, innovative range of carefully selected colours and styles to suit your everyday modern look. Fabrics are Italian Inspired quality fine cottons with a supersoft hand feel that keeps you comfortable and fresh all day long.

Cottonize business shirts are offered in co-ordinating styles with a huge range of designs and patterns from simple solids, to stripes and checks including vibrant trendy options and subdued pastels, with attention to detail, whether it's removable collar stays, adjustable buttons on the cuff, wrinkle resistant or even hi performance teflon that repels liquid including coffee spills.

Colbest Essentials is a classic range suited for your corporate and casual image. Colbest Essentials brand is well-known for it's 100% Combed Cotton Wrinkle Free chambray shirts in 7 colours.

Jeridu Business consists of a range of quality shirts in cottons and poly-cottons in various colours. Whatever brand you choose, if it's Cottonize, Colbest Essentials or Jeridu Business shirts, rest assured, it's a quality garment with comfort in mind.

Canura Work is a combination of hardwearing durable Industrial and Hi Visibility work wear. Our work wear range consist of quality characteristics like breathable underarm mesh air flow, lightweight or multifunctional pockets without compromising on quality. Canura work garments are manufactured to comply and meet AS/NZS Standards.

Canura Active -Polo shirts are specifically designed for active lifestyles, manufactured with comfort in mind in a great range of knit fabrics ensuring you are kept dry and comfortable all day long.

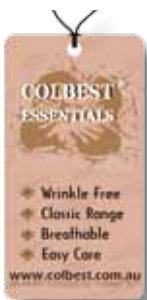

### **Cottonize:**

Stylish range of corporate shirts using the latest high performance super soft fine easy care cottons, in co-ordinating men's and ladies styles.

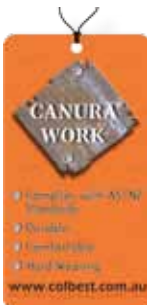

### **Jeridu business:**

Range of business shirts in a variety of colours in wash and wear cotton rich fabrics.

### **Colbest essentials:**

Classic range of business shirts in wrinkle free and easy care cottons to suit your corporate and casual image.

### **Canura Work:**

Canura Work wear consist of industrial and hi visibility safety clothing .These garments are constructed from durable and hardwearing fabrics to withstand the rough working conditions.

### **Canura Active:**

Canura Active is a combination of polo shirts in different styles and lightweight breathable fabrics, with the added benefits of moisture wicking treatment keeping you cool and dry.

### Top Cool Swing Tag:

A moisture wicking treatment has been specially applied to this garment to absorb perspiration away from the body keeping you cool and dry and comfortable all day long.

### Teflon fabric protector:

Repels water and oil based spills, outstanding durability to laundering & abrasion, easy care, breathable, safe & gentle, outsmart stains.

### Wrinkle Resistant/Easy Care:

Maintains shirt appearance by looking crisp and keeps you looking neat, fresh and feeling comfortable throughout the day.

### Ultraviolet Protection Factor:

Garments with this label comply with AS/NZS 4399:1996.

The level of the UPF protection in this garment varies depending on the fabric and the colour. UPF ratings range from 15-50. Remember, although the garment may have a UPF rating, this only protects the skin it covers and you must also use other protective wear like sunglasses, hat, sunscreen and stay around shaded outdoor areas.

UPF 15 Good	UPF 20 Good
UPF 25 Very Good	UPF 35 Very Good
UPF 40 Excellent	UPF 50+ Excellent
